

PRESENTATION SKILLS

COURSE OVERVIEW

Develop the skills and confidence to become a powerful and persuasive presenter

- Learn how to capture and maintain the complete attention of your audience
- Use PowerPoint and other visual material to effectively communicate and create a high level of impact
- Deliver messages with impact, conviction and confidence

Presenting, either to win new business or to influence any kind of audience, whether internal or external, has never been so dependent upon outstanding presentation skills. In fact, the ability to engage persuade audiences is a real corporate differentiator.

Yet, it is often the most feared of all professional activities; invoking irrational thoughts and behaviours.

Through video feedback and coaching, TACK's Presentation Skills course delivers immediate and noticeable improvements. Participants learn how harness nervous energy in order to project themselves with impact, confidence and conviction – no matter the size of the audience.
