

# TIME MANAGEMENT AND PERSONAL EFFECTIVENESS

## COURSE OVERVIEW

### Learn to prioritise your time effectively for better results

- Increase productivity by planning and using your time more effectively
- Learn to prioritise tasks according to business impact
- Identify key distractions and how to manage them
- Regain your work life balance and prevent burnout

Leaner organisations, increased workloads, competing deadlines, constant emails and 'always available' expectations require employees to be adept at managing their time effectively.

Our high energy one day interactive and practical Time Management and Personal Effectiveness course introduces the key concepts of time management and explores a range of tools and techniques that will help you take back control of your workload. You will learn how to differentiate urgent and important priorities, manage others' expectations, avoid distractions and push back when needed allowing you to better manage your time and increase your personal effectiveness immediately back in the workplace.
